

C+ Correcting Complex 30%™

KEY BENEFITS

Reveal brighter, more radiant skin. Achieve a more even skin tone. Lock in younger, healthier looking skin. Discover improved overall skin appearance.

HOW TO USE

Use morning and evening after cleansing, but before moisturizing. Dispense one pump into palm of hand and apply evenly to the face, avoiding the eye area.

D·E·J face cream®

KEY BENEFITS

As evaluated by an expert grader, in a twelve-week clinical usage study, D·E·J face cream® was shown to be effective in reducing the signs of aging of the facial skin, including fine lines, wrinkles, clarity/brightness, visual and tactile roughness, evenness of skin tone (redness & hyperpigmentation) and overall appearance with results seen as early as 4 weeks.*

HOW TO USE

Apply morning and evening after cleansing and after all other treatment products, dispense one to two pumps into the palm of hand and gently smooth onto face avoiding the eye area. Allow product to absorb before applying sunscreen in the morning. If also using D·E·J Night face cream™, use D·E·J face cream® in the morning and D·E·J Night face cream™ in the evening.

D·E·J eye cream®

KEY BENEFITS

As evaluated by an expert grader in a twelve-week clinical usage study, D·E·J eye cream® was shown to be effective in reducing the signs of aging around the eye including fine lines and wrinkles in the crow's feet area, upper eyelid appearance, droopiness of upper eyelids, dark circles, puffiness, firmness, overall photodamage, tactile smoothness, visual smoothness and elasticity with results seen as early as 4 weeks.* D·E·J eye cream® contains Prebiotic Innovation.

WHO IS IT FOR?

All skin types, including those with sensitive skin and particularly those looking to improve the overall signs of the aging eye.

HOW TO USE

Apply a pearl-sized amount (approximately 1/2 pump total for both eyes) under both eyes, along the orbital bones and on the eyelids. Use morning and night. Avoid direct eye contact.

Intellishade. Broad Spectrum SPF 45

KEY BENEFITS

A 5-in-1 daily anti-aging tinted moisturizer with broadspectrum SPF 45 that is formulated to correct, protect, conceal, brighten and hydrate skin. Prevents all visible signs of aging and enhances skin's natural moisture barrier, reduces the appearance of fine lines and wrinkles and brightens and evens skin tone while reducing the appearance of redness. Also protects skin from UVA/UVB radiation. The sheer mineral tint conceals and restores skin's youthful appearance.

HOW TO USE

Apply evenly to face as the last step in your morning skincare routine. Wear alone or under make-up. Can be used with Vitamin C Lotion 15% or 30% for added antioxidant benefits.

OPTIONS

Matte, Original, and TruePhysical

Multi-Protection Broad-Spectrum SPF 50

KEY BENEFITS

A 4-in-1 daily anti-aging moisturizer with broad-spectrum SPF 50 that corrects, protects, brightens and hydrates skin with an oil-free, lightweight formula. Prevents all visible signs of aging and enhances skin's natural moisture barrier, reduces the appearance of fine lines and wrinkles and brightens and evens skin tone. Also protects skin from UVA/UVB radiation to reduce photoaging and free radical damage.

HOW TO USE

Apply evenly to face and neck as the last step of your morning skincare routine. Can be used with Vitamin C Lotion 15% or 30% for added antioxidant benefits.

Hydrating Serum

KEY BENEFITS

Ultra-light, anti-aging serum contains Hyaluronic Acid and other potent humectants for intense hydration. Immediately plumps skin and improves texture. Firms and nourishes the skin for reduced lines and wrinkles. It can be used alone for oily skin types, or layered with other products for a boosting effect.

WHO IS IT FOR?

All skin types.

HOW TO USE

Apply to clean skin. Dispense into palm of hand and gently apply to face. Avoid eye area. Can be used twice daily or as needed throughout the day for extra hydration.

Nectifirm® advanced

KEY BENEFITS

A new generation of age-defying technology, this peptide-packed formula is exclusively designed to target Moderate to Advanced Signs of Aging for the neck and décolletage. Formulated using a proprietary blend of peptides, proteins and pioneering ingredients, Nectifirm® ADVANCED works with the skin's own Microbiome to naturally brighten and even skin tone.

- Corrects the look of skin crepiness and restores smoothness
- Slims and reshapes the jaw and neck with adipose targeting ingredients
- Perfect complement to in-office firming and lifting procedures

HOW TO USE

Dispense 2 pumps into palm of hand. Using upward strokes, gently apply onto décolletage, working your way up the neck to the jawline. Use twice daily.

Brightening Facial Wash

KEY BENEFITS

Rejuvenating cleanser contains natural skin brightening Botanical Extracts and exfoliants. Removes the day's make-up and impurities, leaving the skin feeling clean and smooth.

HOW TO USE

Wet face with tepid water. Dispense a nickel-sized amount into palm of hand. Lather in hands. Using fingertips, gently massage onto face using circular motions. Avoid eye area. Rinse thoroughly with water. Pat skin dry. Use twice daily.

Retinol Complete® 0.5 and 1.0

KEY BENEFITS:

Technologically advanced anti-aging serum for reducing the appearance of fine lines and wrinkles. Brightens, evens skin tone and improves texture. Boosts skin's hydration level to help combat the dryness associated with Retinol.

HOW TO USE

Use only at night. After cleansing, dispense one to two pumps on back of hand. Apply on face two to three times per week in PM, avoiding the eye area. Increase usage as tolerated. Before using the 1.0% Retinol strength product, consult your skincare professional to determine frequency of application. A broad-spectrum sunscreen is recommended while using this product.

Gentle Cleansing Lotion

KEY BENEFITS

Soothing facial cleanser gently removes dirt, make-up and impurities without irritating or drying out skin. Gentle enough to use after professional, in-office treatments.

HOW TO USE

Wet face and neck with tepid water. Dispense a nickel-sized amount into palm of hand. Using fingertips, gently massage onto face and neck using circular motions. Rinse thoroughly and pat skin dry. Use twice daily.

Revox™ 7

KEY BENEFITS:

Peptide-rich serum reduces the appearance of wrinkles caused by repeated facial movements. Softens the look of seven types of expression lines including forehead lines, crow's feet, glabella frown lines, bunny nose lines, nasolabial laugh lines, lip lines and marionette lines.

HOW TO USE

Apply to targeted areas after cleansing and toning. Dispense one pump and dab on expression lines. Avoid direct eye contact. Wait one minute before applying moisturizer. Use twice daily.
